# Elegant design. Endless possibilities.

Tuscany® Series is our premium vinyl window and patio door line with a broad range of operating styles for endless combinations.

Awarded #1 Quality Vinyl Window in the Western US\*, this is our best-selling series custom-made to your exact measurements from a unique vinyl formula and crafted with award-winning hardware.

The result is high performing, energy efficient, elegant windows and patio doors that can beautify your home for years to come.

\*2020 BUILDER Magazine Brand Use Study

## TUSCANY SERIES | V400 OFFERS:

- Durable vinyl frames that won't absorb moisture and don't require painting
- Innovative SmartTouch® lock technology that's easy to use
- The traditional styling of a wood window with even sightlines
- Nine exterior colors to enhance the look of your home
- A Full Lifetime Warranty that includes Glass Breakage coverage

# Why Milgard Windows & Doors

## Quality

Milgard offers award-winning windows and patio doors built for long-lasting comfort. For over 50 years, industry experts have consistently recognized Milgard as a trusted brand, ranking #1 in vinyl window quality in the Western US.\*

\*According to the 2020 Builder Magazine Brand Use Study

## Experience

Since 1962, Milgard has designed and assembled superior custom-made windows and patio doors for replacement, remodeling and new construction. Milgard is known for their industry-leading designs, using patented technologies, that help make your home more comfortable.

## Service

We have always taken great pride in our ability to provide exemplary customer service. We believe that being close to our customers allows us to provide a better service experience. You'll find Milgard factory trained technicians near you in the Western U.S. and Canada.

## Warranty

We have a dedication to quality and build our windows and patio doors to last. With Tuscan® Series you're covered for as long as you own your home with our industry-leading Full Lifetime Warranty. See complete details at [MILGARD.COM/WARRANTY](https://www.milgard.com/warranty)

All windows come with pull rail screens for easier removal and installation.

# SmartTouch® Innovation

Exclusive to Milgard

Milgard has a long-standing tradition of innovation. The SmartTouch window lock and door handle addresses the need for durable, easy to use windows and patio doors that exceed rigorous California forced-entry codes\*.

SmartTouch Lock

SmartTouch Door Handle

## SmartTouch Window Lock

### INTUITIVE

It's the easiest way to unlock and lock windows allowing you to open or close them in one smooth, single motion. No pinching, squeezing or twisting.

### STREAMLINED

The SmartTouch window lock mechanism is incorporated into the window sash for a sleek, low-profile design.

### STRONG

The lock assembly is constructed from die-cast zinc making it strong and built to last.

### SECURE

It offers peace of mind you can see. When the handle is down, the window is locked so you can rest assured your window is secure at a glance.

## SmartTouch Door Handle

### ERGONOMIC

A simple one-touch motion unlocks, opens and closes the door, making it accessible and usable for all ages.

### SMARTTOUCH BOLT

A fully integrated steel bolt that secures the sliding patio door firmly into the top frame with the flip of a lever - an industry first! Let the fresh air in while keeping the door secure in a vented position.

### SECURITYMAX™ PACKAGE

Includes a multi-point locking system paired with the SmartTouch Bolt. The lock is activated with a single motion of the handle which engages four locking points and secures the door in the top frame and bottom track. This provides five points of security on your patio door.\*\*

# Energy Efficiency

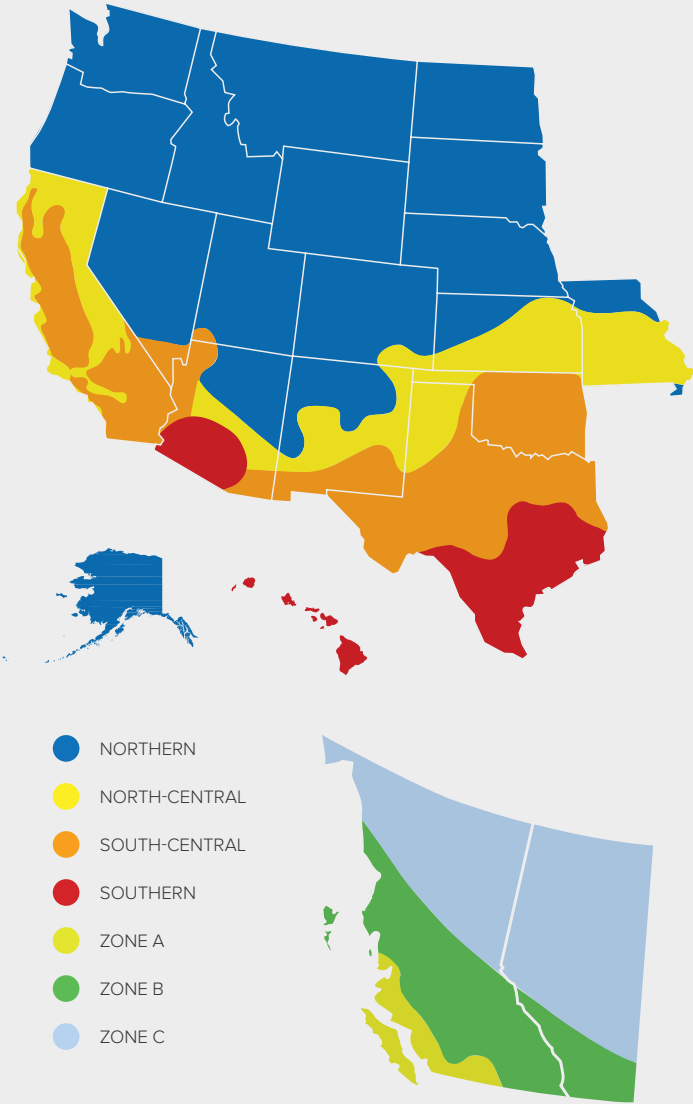

## Tested and Built for Your Climate

At Milgard, we help homeowners like you make an impact on their energy consumption by offering energy efficient windows and patio doors designed for your homes comfort.

We make it easy to meet local energy codes and green building efficiency standards with a selection of energy packages you can tailor to your specific climate. We conduct thermal simulations to improve energy performance and we adhere to ENERGY STAR® v6 requirements that meet or exceed U-Factor and Solar Heat Gain Coefficient (SHGC) criteria in the areas we serve.

Your energy efficient windows could include one or more of the following features based on your climate.

- SunCoat® or SunCoatMAX®
- EdgeGardMAX® Spacer
- Foam Spacer
- Argon
- 4th Surface
- Triple Glaze
